I am allowing the individual(s) named above to electronically view my Myrtue Medical Center medical record via MyChart.

This consent is voluntary. If I cancel this consent at a later date, I must notify Health Information Management listed above. If this consent is cancelled, I understand that information may have been released prior to the cancellation, and that action would not be considered a breach of confidentiality. I also acknowledge that: 1) recipients of this information may possibly re-release the information without proper authorization, and 2) once information is disclosed it may no longer be protected by federal privacy regulations. I understand my Myrtue Medical Center medical record includes information about any treatment I may have received for substance abuse, mental health, HIV-related conditions, and information about any genetic tests that may have been performed. I understand that it is not technically possible at this time to grant MyChart access that would not include these categories of information. I understand this electronic access will be in effect until revoked by the patient and ends at the time of death.

This form is not needed for the patient to be evaluated or treated. I verify the above email address/mobile number is correct and I have received permission from the individual(s) listed to receive this confidential information via this email address/mobile number. I have explained to them that this may not be a secure means to receive information. I understand MyChart access can be revoked by Myrtue Medical Center at any time if not used appropriately.
